A tower of tapas to share... or not ! 32.90

Iberian Bellota  
Matured tomme  
Squid  
Shrimps with parsley  
Guacamole and Tortilla  
Iberian Chorizo  
Patatas Bravas

### Did you know?

The 13th-century medieval tower is a must-see site in the Albères massif. Situated at an altitude of almost 800 metres, the Massane tower offers fabulous views over the entire Roussillon plain. Built by the kings of Majorca, it was used until the 18th century as a watchtower and landmark from the sea.
